

BEAUTIFOAM

LEMON FURNITURE POLISH

TECHNICAL DATA

GENERAL DESCRIPTION

A dual action cleaner and polish with lemon oil for wood, vinyl, plastic, ceramic, porcelain, painted metal surfaces.

AREAS OF APPLICATION

BEAUTIFOAM can be used to protect wood, vinyl, porcelain, plastic and painted metal surfaces commonly found in hospitals, retail establishments, hotels, motels, schools, restaurants, offices, etc.

SPECIAL FEATURES

Easy To Use - quickly cleans and polishes all types of furniture and other hard surfaces. Just spray and wipe.

Facilitates Subsequent Cleaning - leaves a seal so that fingerprints, smudges, and old polish build-up stains wipe off easily

Prevents Build-Ups - spreads easily and prevents polish build-ups.

Pleasant fragrance - fresh, pleasant, lemon fragrance.

USE DIRECTIONS

Shake container well and remove cap. Hold can 10 to 15 cm (4 to 6 inches) away from surface and spray lightly over the entire surface to be polished. Do not overuse. Wipe surface immediately with a clean soft cloth and buff lightly to a beautiful shine. Avoid overspray as this can cause slippery walking surfaces.

PHYSICAL PROPERTIES - AEROSOL

BEAUTIFOAM consists of quality carnauba along with refined silicone and lemon oils.
